***Worms***

This vase, in four different transparent colors, highlights the technique from Murano called “mano volante”. Rope-shaped trimmings in transparent glass are applied to the external surface of the vase; the tops of the trimmings are then cut and polished, creating an object of great value and beauty.

**Designer:** Rony Plesl

**Dimensions:** 27x21,5 cm (H x Diam)

**Available colors:** aquamarine, orange, yellow, pale green

***Aurum***

This vase, with its long and simple design, has a superb gold leaf motif that is applied externally. There is a sophisticated matching of colors: white-gray and black-gray.

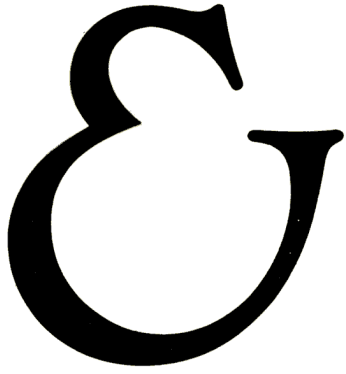

**Designer:** Rony Plesl

**Dimensions:** 37x10 cm (H x Diam)

**Available colors:** white-gray, black-gray

### *Ernst*

Here are three “creative” objects having different shapes and entirely “free” in terms of decorative elements, which are created by three different color areas and numerous varied incisions and notches. This object range presents a revealing and fascinating cross-section of techniques.

**Designer:** Rony Plesl

**Dimensions:** 22x18,5 cm (H x Diam)

**Available colors:** white-black-red on clear crystal

### *Vernum*

This collection comprises two shapes and two color combinations. The surface of the object is enriched by a series of cut, stylized and vividly colored leaves in opaque glass. The effect is one of strong contrast. Two color combinations are available: yellow leaves on a dark blue striped background and orange leaves on a black striped background.

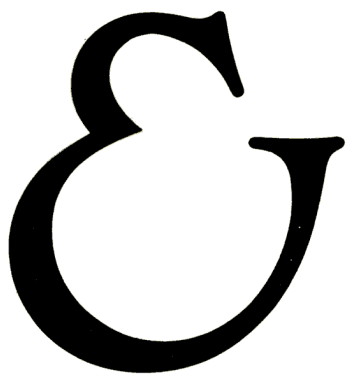

**Designer:** Rony Plesl

**Dimensions:** 38x14,5 cm (H x Diam)

**Available colors:** blue-yellow, black-orange
